

MAKE YOUR VOTE COUNT! COUNT EVERY VOTE!

We are facing a critical shortage of poll workers to staff the 2020 election due to the pandemic. In order to protect our democracy and our elections, workers are needed to volunteer at the polls on Election Day and for early voting.

VOLUNTEER TO WORK THE POLLS!

I worked the polls for 10 years and I understand that this is an important role in our democracy to make our elections run. We need to be there to make sure everyone has an opportunity to vote. Now with COVID, I don't feel comfortable working the polls and am volunteering in other ways. I hope that other members can step in and work the polls.

— Teresa Findlay, Pittsburgh Retiree

I'm volunteering to work the polls this year to protect our democracy, to ensure that my community has enough poll workers and to protect older poll workers who are at high risk for COVID. Won't you join me?

— Gary Feist, North Dakota
Public Employees Association/NDU

Here's how to get involved: www.powerthepolls.org/aft

- Step 1.** Fill out the form at www.powerthepolls.org/aft
- Step 2.** Look for the follow-up emails to ensure you're connected with your election jurisdiction. Your local elections office will be in contact with you about trainings.
- Step 3.** Complete a training or any other process required by your elections office.
- Step 4.** Show up at the polls during early voting and on Election Day.

IT'S THAT EASY!

SHOW US YOU POWERED THE POLLS:
